2011 Warranty Policy

Manufacturer warrants the Sectional Sno-Plow™ to be free of defects of material and workmanship for a period of two (2) years from the date of delivery by the customer. During this period, the user is responsible for informing the manufacturer of any problems within 10 days of the problem(s). Dealer/Distributor must notify the manufacturer by phone, fax or e-mail. The original warranty card must be returned to the manufacturer. (Failure to return a fully completed warranty registration card, with proof of purchase, within 30 days upon receiving a new Sectional Sno-Plow™ will void warranty.)

The manufacturer will not warranty any wear parts such as wear shoes, poly mounting blocks, torsion springs, hardware and cutting edges. Warranty excludes failure resulting from abusive and improper service, misuse, negligence and accidental impact, including any non-factory repair or alteration. The manufacturer will void all warranties specific or implied.

All claims must be discussed with a representative of the manufacturer prior to any repairs, or warranty will be void. Recommended repairs and costs are to be discussed with and agreed upon by a manufacturer's representative. Repair or labor (at an agreed rate) will be performed by a manufacturer's specified dealer, and at a repair shop designated by the manufacturer. The repair or replaced product shall be guaranteed for the applicable warranty's remaining period. All shipping costs associated with any repairs are the customer's responsibility.
